

**NEW YORK STATE CAPITAL DISTRICT  
SOCIETY OF WOMEN ENGINEERS PRESENTS:**

**SWE MERIT AWARD DINNER**

Awards outstanding high school juniors for excellence in STEM,  
and encourages and informs them of future career opportunities.

***2018 Certificate of Merit Awardees (not all shown)***

For the past 16 years, NYSCD SWE has supported the local community and encouraged talented high school women to pursue careers in Science, Technology, Engineering and Mathematics (STEM). NYSCD SWE continues to honor young women for their passion and excellence in STEM through our annual Merit Award Dinner. Students are nominated by their school's faculty and administration to attend the dinner based on their achievements in math and science, their character, and their desire for a future career in a STEM field. The Merit Award Dinner provides a unique opportunity for the students to network with their peers, connect with local professionals in STEM fields, and learn from a female keynote speaker about her experiences throughout her career. In 2018, the Merit Award Dinner recognized over 50 female students in the Capital Region, along with their families and guidance counselors.

Please consider sponsoring these future STEM trailblazers by committing your company to one of the following roles listed on the next page.

**SWE is a non-profit organization.  
All donations will go directly towards the realization of this event.**

**NEW YORK STATE CAPITAL DISTRICT SOCIETY OF WOMEN ENGINEERS**

Description	Benefit	Sponsor Requirement	Suggested Donation
<b>“Swag Bag” Sponsor</b>	A “swag bag” containing information about local companies will be given to each awardee.	Your company pamphlet will be given directly to the awardees.	\$100
<b>Table Sponsor</b> (for 4 Awardees)	Interaction between a company attendee and the four students. Company information pamphlets can be provided and given in the swag bags.	A company representative* is invited to dine with students at one table.	\$200
<b>Book Sponsor for all Awardees</b>	Each awardee will receive a copy of the year’s professional development book with a nameplate of your company on the inside cover.	Provide funding to cover 60 copies and 60 company stickers.	\$700
<b>Outstanding Achievement Award Sponsor</b>	Several Outstanding Achievement Awards will be presented to exceptional students selected through an application process. This gift is intended for use by the awardee for application fees, college visits, standardized test preparation, and books.	Our fundraising goal is \$500 per award and we would like to give 5 OAA for a total of \$2,500.	\$500/ Award
<b>“Swag Bag” Item Sponsor</b>	Your donated item will be announced and given to each of the awardees at the conclusion of the event.	60 donated items (one for each awardee).	

\*For each additional corporate representative, we ask that you pay \$25 to cover the cost of dinner.
